## A DELATED HAPPY AND HEALTHY NEW YEAR

May we take this time to wish all the Caggys a very happy and healthy and maybe prosperous New year. May the begining of a new year bring us all the fullfillment of some of our prayers and wishes. May we not feel the pangs of fears disappointments, or tragedies that we all felt this past year. We all pray for a brighter and happier year for all of us. Not one us shall ever forget 1958 and the terrible losses we all felt. To use a phrase often used but with more meaning "Gone but not for forgotten", we all will remember.

May new successes and a worryless year come our way.

## TO ONE AND ALL A VERY HAPPY NEW YEAR

### DID YOU REMEMBER TODAY?

Yes, we all know how busy and occupied we all are, but there is always a minute to sit down to drop a line, if only a card to let people know that we haven't forgotten them. We all have the feeling "that no news is good news" but still it is nice to receive mail. There is many of times we say we will write tomorrow but time really flies by and it usally adds up to months. So I say again did you remember to write.

So please drop a line when you can to Pop as he awaits mail from the family. Louie I know will love to hear from the Caggy's and it should be or duty to see how the kids are making out and how everything is going with him. So let's all start the new year right and write more often... A card to Aunt Lena would be nice gesture also, her address is 110 Parker St. Middlesex, N.J.

### WHAT'S NEW?????????

That's the question the Caggy News will want to find out from the rest of the Caggys. So how about letting us know so we will be able to tell the rest of the family. We do not want this paper for just a few but for many. If we don't get any news we will not publish, we would like any and all ideas that will make the paper more interesting for all the families. So get off your\*\*\*\* and send us some news and stories. I am willing to put this paper out if I get enough cooperation from the rest of the families.....

### SANTA CLAUS IS GOOD TO ALL

From all the reports we have received good old Saint Nick was busy and did a good job for all the small members and lots of the big members too.

## JOE CAGGYS ANNOUNCE THE ARRIVAL OF NO.2

The word from Schenectady is the formal announcement of the expected addition to the J.Caggys. Anne tells us we have the right to the exclusive news. We all wish to congratulate them at this time. The blessed event is to happen sometime in August. We all know they are very happy about and so are all the Caggys. We wish Anne a very happy and healthy arrival. The word is that little Joey is fine and getting bigger all the time. We know that they will be busy and have their hands full but we know Anne has big shoulders and will carry the burden well. Once again we all wish them God's blessings and good health. (Editor's Note- We all know Joe is only home weekends but boy!)

## CLAIRE VISITS FLORIDA FOR 9 DAYS

Claire just returned from 9 warm and nice days from Florida and enjoyed every day of it. Claire says that Pop is fine and getting along very well. Claire's father spent 4 days with Pop and he had a very nice time. Mr. Zello is still with Pop and Pop has enjoyed the visit. Pop says he is going to rent the house and will have to make plans on what to do about building an extra room so he will have a place to go to every Winter. He has asked for any ideas and suggestions in this matter and he would like any from the family. We all would like to see Pop happy and anything he wants to do would be o.k. with the rest of us. SO, POP ANYTHING YOU WANT TO DO THE FAMILY IS BACK OF YOU.

## HAPPY ANNIVERSARY TO E. CELLELIS

On behalf of the Caggy family we take this time to wish the E. Cellelis a very happy 18th. anniversary. May they have many more happy years together, so on Feb. 22nd. visualize the Caggy family all raising a toast to both of you.

## T.V. SURVEY RESULTS

The last issue we asked the Caggys what T.V. shows they watched with preferences, well it looks like the male members dominate the choice of programs that the each family watch. Here are the results:

- 1- Adult Westerns
- 2- Musicals or Variety Shows
- 3- Dramas or Serial type of shows.

So it looks like the female members haven't much choice in the matter as westerns now dominate the T.V. screen every night in the week. So it looks like Perry better get himself a set of 6 shooters to stay in competition. That will be a switch-a Italian cowboy.....

## HERE AND THERE

**Waterbury:** The news from this city is that all are well and o.k. Lou is working hard as ever and the kids keep him hopping. Sandy has been fine and Lou and Judy are o.k. Robert is getting big and cuter every day, if that is possible, we think he is a doll anyway.

**Naugatuck:** We haven't heard too much news from the Rallis so we haven't much to report just hope all is well

**Hudson:** We didn't hear from the J. Caggys so we hope all is well there also.

**Utica:** We know it is cold and it snows alot there but I know the mails still gets through, but we haven't heard anything so nothing to report.

**Schenectady:** The big news we have already mentioned. Joe is still working in Mass. and Anne is busy with little Joe. The pictures Anne sent of the baby were beautiful. He is really a big boy. I guess the time we get to see him he will be a big boy.

Jean writes and tells us she is working hard and gets a chance to go to Hudson once in the while. We hope what she says is true and we wish her good luck. It will be nice to have a doctor in the family..

**New York:** All is well at this house. Ed is working hard as ever and still is no V.P., but he is still working on it. Claire has lost most of tan, she really looked brown when she came home.

**Rhinebeck:** The word from this home is that Snooks is still doing well in High school and is very busy with her cheerleading. I bet the fans don't even watch the game when she is on the floor. Congratulations on their anniversary.

## HAPPY EASTER

We of the Caggy News wish everybody a very happy, joyous and blessed Easter. May all your wishes be answered at this blessed time. At this joyous time on Easter may we pause an extra moment to pray to the Risen God for the health and happiness and blessings for all the family, also a special prayer for our departed loved ones.

For all the prayers and missions and small sacrifices we may have made during Lent be beneficial in answering our prayers.

On behalf of the Caggy News we wish Pop and very happy and healthy Easter

### ED AND CLAIRE TO VISIT L. FERRIS

Ed and Claire will spend the Easter holiday with Louie and the kids on Easter. Lou has extended the invitation to share the holiday with the family. He has told us he was fortunate enough to win a 11 lb. ham and would like to have company to eat it, and when it comes to food Ed is not to be left out. Ed has a four day holiday that weekend so it was a very good arrangement.

### NEW ADDITION NOW COMPLETE IN FLORIDA

Pop has written to say the new addition to the house has now been finished and he now has a place to go every Winter. Our neighbors has just returned from Florida and told us that Pop is looking very well and is in good health. He said the new rooms look very good and will give us some pictures he took while he was there. Mr. Zello has returned to Hudson after a five week stay with Pop. Pop says he enjoyed having him. Pop has a phone which is Victor 4-0432. We called last week and he says all is ok.

### ROSE RETURNS FROM SHORT STAY AT HOSPITAL

The word from Rhinebeck is that the E. Cellelis had a bout with virus and throat infections. Rose spent a week in the hospital and we are glad to report that all is well once again. Snooks had a short seize also but is ok now, I bet Geno was busy taking care of his two women. Maybe it wasn't too bad, because it must have been quiet around the the house. (ha Ha)

### TEDDY CAGGY NOW A CIVILIAN AGAIN

We are sorry to be late in telling some of the family that Ted is now home and has been for a month already, but we just found about it. It seems he doesn't like to write. Congratulations Ted...

## ANNIVERSARY MASS

Gone from us but surely not forgotten. How true these words mean so much to all the Caggys. We have often heard these words before but with not much feeling, but now it has struck so close to our own hearts and these words mean more to us than to anyone else. People say that time will heal the wounds, we doubt it very much. It has been a year already that Mom left us, but she is in our thoughts and prayers every day.

Sunday May 17th the family will have the chance to pray for her as a family unit. We not only hope, but expect every member to be present at the mass on Sunday May 17th in Hudson. The Anniversary Mass will be at 10 O'clock. Special prayers are also to be said for Madeline on that day. It will be the duty for all the Caggys to be present at this Mass. We hope and pray that on that day Mom and Madeline will look down on us and smile to see all the family together.

How fortunate and lucky we were to have had Mom as our Mother and Madeline as our sister.

## JUDY RECEIVED HER CONFIRMATION

We just received word that Judy received her Confirmation on Sunday April 26th. We all wish Gods blessings to her at this time.

## MICHELE TO RECEIVE FIRST HOLY COMMUNION

Michele will receive her first Holy Communion on Sunday May 17th, at the 8 O'clock mass. We will all be there to see how pretty she will look. Peg and John will be real busy that day with Michele and the family Mass.

## PARDON OUR SLIP

We are very sorry that we so carelessly omitted from the Caggy dates John and Peg Anniversary on April 16th. We apologize. We all wish them a belated 10th Anniversary.

## BUD AND JOAN'S NEW ADDRESS

After waiting so long we finally have Bud and Joan's address. They now reside at Highland Ave. Philmont, New York. We don't think the mail service is very good from there as we haven't heard from them in a long time.

SEE YOU ALL IN HUDSON

## KATHRYN MARIE CAGGY MAKES DEBUT

The big news from Philmont way was the arrival of Kathryn Marie to the Bud Caggy household. Congratulations to Joan and Buddy. We understand she is a little doll.

## HELLO DEERE!!

Well it's been a long time since the last issue of this famous periodical. We hope we will be able to issue a monthly issue with the cooperation of the entire family. We need your support in this venture. So each family will have to send to us information each month so we will have material to write about. I know you wouldn't want to hear just about the E. Caggys all the time, although they are the most exciting people we know, so with your help all the Caggys will be heard from.

### NUMBER SIX FOR THE JOE CAGGYS

We have received word that the Joe (We'll catch Mom and Pop) Caggys that they expect their sixth bundle from heaven shortly. We all congratulate you. With this new addition it looks like Joe and Anne will have to add an new addition to the family home. We understand the other children are fine and they all look like dolls. So we say GOD bless you both.

### POP AND MARY ARE FINE

We talked to Pop and Mary Christmas day and everything is fine and o.k. Pop is feeling very well these days. We called early and I guess the rest of the family did not get their calls in yet. He sounded very happy and strong. Oh yes don't forget the 17th. is Pop's birthday. May he celebrate many, many more in good health.

### FAMILY DATES

We would like each family to send us a up-to-date list of all the birthdays and anniversary dates so we will be able to publish them each month. It seems since the family has gotten so big and separated that it seems we have forgotten the birthdays and anniversaries that we would like to remember with a card. So please send to us as soon as you can this list we need. Let's get together more closely this year 1964 if only through cards if not in person. It seems that years and miles are separating us more each year and it doesn't have to be this way. My one wish this year is that the Caggys not forget each one but plan to get closer than before.

### WE HEAR FROM M. CAGGY'S VIA RADIO

Last week we had a wonderful surprise when a neighbor called and said that Mike send Season's Greetings via radio. A Mr. Perry is a ham operator and talks to Mike. Thanks Mike.

### ALL FERRIS DOING FINE

We received a letter from Louie and he reports that the family is fine and doing o.k. Little Bobbie is getting real big and is a real doll. He says he hopes he will be able to meet the family this Spring for Moms, Mad, and Ant's mass. I know it will be good to see him again. He sent along a picture of the crew and they sure are all getting big. So Lou please send us some news for the Caggy news as we would appreciate it.

### CELELLI'S SPEN HOLIDAYS TOGETHER

ROSEMARIE THE Celelli N.Y. representative informed me before the holidays that Genie would be home for the holidays to make it a very Merry Christmas at 69 Arnet Road. I have not heard from Rosemarie since her return to college. She calls me at least once a week. So I presume all is well with the family. "Snooks" is doing real well at school and likes very much although anatomy class sort of upsets her a little. Those of you Caggys that has not seen her for awhile I can say she is a real doll. She gets prettier every year. All of us Caggys wish her loads of luck in her college work and know she will graduate with honors.....

### THIS A AND THAT

We haven't heard from the Rallis so we hope all is ok. Ted And Barb haven't written in Quite a while but, they are young and still newly married and still have other things to keep them busy. It's so nice to be single and have a few dollars to go traveling. Bud and Joan also haven't written so we hope all is well with them. I don't even know if Bud is in service yet. I hope they will also drop us line to tell us all the news

## HUDSON - MAY 24<sup>TH</sup>

Sunday, May 24th. is the day and Hudson is the place. We are hoping for a 100% turnout and hope every family will be there for the Mass. We hope that all the families are planning to attend this year. It is the only way we can show as a family group of how we feel about our losses. We know that time heals all wounds and we have so many things to do and time flies by without us doing something we should do. The past few years there wasn't really enough Caggys at the mass as there should have been, so let's try to make it a must on the Caggy calendar. So I know I speak for all the Caggys when I say try to be in Hudson on May 24th. So we will be seeing you all there at 520 Prospect Street and at Our Lady Of Mt. Carmel.....

### FOR REAL GOOD TYPIST

We just received a letter from Pop and he enclosed the complete Caggy history all type written, it was really a good job. We want to thank him for all the time and work that he spent on the long list. It was really complete and up-to-date. He is feeling very well and Mary is ok. He does get headaches a lot but otherwise he feels great. He still enjoys getting mail and I know you Caggys will keep writing as often as you all can....

### BELATED BEST WISHES TO ALL MOMS

Last Sunday was Mother's day and we hope all the Mothers had a wonderful and happy day. We hope you all got a lot of gifts and flowers. So we say once again a very Happy Belated Mother's day one and all....

### ALL RALLIES ARE ALL WELL

We had a nice long letter from Marie and she says all is well with them. George is o.k. and still works hard. Tina Marie is very active in Brownies and John is in the Cub Scouts. We were nice hearing from them.....

### BUD AND JOAN STILL MISSING

We still do not know where they are.

We still need the list to complete each family list.

Also we still have not heard from them so I still cannot report on their family. We would like to know how he is doing since he has been out of service. So how about the Bud Caggys dropping us a line so we can tell all the Caggys what is new with you....

### JEAN BACK ON SCHEDULE

We have heard from Jean and she is back to the daily grind. She had a little problem when she first got back to work she had to enter the hospital at the rear entrance.. I guess when we get to Hudson Rose and Jean will be out to get me but as newspaper man you have to report all news accurately..

### NEW CAGGY NAMED LEONARD CAGGY

Ann wrote to inform us that their new addition is named Leonard Caylord Caggy. So congratulations again. Everything is fine at their abode. Joe did well in his studies and is still attending college. All of the rest are fine and Anne says she now feels fine and o.k. If everything is o.k. they may be at Hudson...

### J. CAGGYS EXPECTING BIG TIME

J. Caggys says he and Peg are getting ready for the Caggy family on the 24th. and they are hoping for complete turnout. Peg really enjoys having the whole crew up, as it is only once a year, but I expect it takes a year for her to relax again. She says it is too bad it is only once a year we all can make it.

### L. FERTIS PLANNING ON HUDSON TRIP

Lou says he is anxiously waiting for the trip to Hudson also on seeing all the Caggys as much as we are anxiously waiting to see his family again. I for one has not seen little Bobby for five years. So we will all see you there..

THIS IS A SHORT ISSUE AS WE ARE ANTICIPATING ON SEEING ALL THE CAGGYS IN TWO WEEKS IF GOD WILLING.

WE HOPE WE WILL BE ABLE TO SEE

## HELLO AGAIN!

Well it's that time of the year again for The Caggy News.....

We hope everyone had a very enjoyable and nice summer, and all vacations were good. We hope all the children will have successful school years, and that they all pass their subjects this year.

This is another reminder that The Caggy News is your paper and without your cooperation and your news, we cannot be able to print it. So, keep sending in news every month to keep the family up to date with each other.

## E. Caggy's All OK

The e. Caggy's had a very nice summer and all is well. We had the M. Caggy's as summer visitors and we all had a very nice time.

Last week the J. Caggy's and Ted Caggy's were week-end guests and everything was fine and it was real fine to see all the folks again. Little Ed enjoys company and has a good time when people are here.

Ed is working around the house with all the projects Claire has for him. Claire just finished remodeling some furniture for Eddie's room and I have to say she did a marvelous job. She is also very busy painting, she is also busy with a new hobby Sally introduced her to, birdwatching. She and Eddie hasn't seen too many species yet but they hope to this winter...

## TED CAGGY'S TO BUILD THIS SPRING

While Ted and Barb were down to see us they informed us that they have purchased a lot at Olive, N.Y. We asked where that was and John said it was next to Popeye. They are both fine and working very hard for IBM. They is waiting for the Deer season to open and to get himself his fourth Deer. Barb is getting very good at cooking Deer.

## JOHN CAGGY'S ALL OK

John is looking real good these days and the rest of the family the same. I don't think Peg ever gets older. The kids are real big and Shelly is bigger than Peggy (I doubt if some of you Caggy's will believe that is possible). Little John looks like a little Quarterback of a football team. It was real enjoyable having them all down for a visit.

## E. CEIELLI'S HAVE BUSY SUMMER

Rose writes to say they had a very busy time this summer with friends frequently stopping over to see them.

Rosemarie is now working in Poughkeepsie hospital. She is expected to take her State tests very soon. This summer she worked a few different hospitals to get all of her training in. We hopes she will write to tell us her plans and to let us know how Tom is these days. We all is well with him.

## NO NEWS

We haven't heard from the G. Rallis and the Lou Ferri's and Bud Caggy's so we hope all is well and they all had every nice summer and all the children are o.k. I guess all the kids are in school and doing well.

## JEAN WRITES

Jean writes and says all is well with her. She is already saving for her trip to Florida in March. She says the J. Caggy's are all getting big and they are all so cute. Joe has been in Pittsburgh this summer.

## LISTS

We still do not have the lists for Bud Caggy's so we cannot send out complete list of Caggy's birthdays and anniversaries. Soon as we get it we will send list out.

Pop and Mary says all O.K!

## HAPPY THANKSGIVING NOV. 26

We want to wish all the Caggy's a very happy holiday. We hope everyone will have a very enjoyable day and they won't eat too too much this Thanksgiving. It has been a very good year so we all have something to be thankful for. We have so many things to be thankful for, for our continued good health, good jobs and for countless blessings we receive every day. So we want to wish everyone a very happy holiday.

## TED WINS THREE TROPHIES

We just received a letter from Ted and Barb and they tell us Ted received three trophies this year at the IBM sports night. We want to congratulate Ted on this achievement. Barb also tells us that Ted and she went trick and treating on Halloween and they really had a ball. No one recognized them not even her own parents. Ted won't be able to go Deer hunting unless the restriction is lifted in time. He said he expected to get a Deer this year.

## LOU'S CREW ALL O.K.

We received a letter from Louie a little late for the last issue of the paper, all is well and all the kids are swell. They all had a very busy summer. They spent time at camp and at the seashore and very nice week in the Catskills, which they all enjoyed the most. The kids are all looking forward for next summer so they can go back again. All the kids are doing well in their school work. Judy is still a avid Beatles fan and digs them the most. It is always nice to hear from Louie and the children as they give us so much news. Keep writing.

Mike just built an addition to the patio and they inform us they now have room if some Caggy's visit and want to stay over. They also had a very nice summer.

## HAPPY BIRTHDAY POP!!!

We hope everyone had a very nice holiday and that Santa Claus brought all the kids the toys and the things they all wanted.

Whoever all the parents received what they wanted too. We all pray and hope the new year will bring good health and some dreams realized.

We received a card from every member of the family and we are very happy about that.

We want to take this opportunity on behalf of all the Caggys to wish Pop a very happy and wonderful birthday. We pray that every moment of your birthday is full of happiness and good wishes. We want to let Pop know that we think about him every day not just his birthday. We pray that that he will have many more birthdays and he remains in good health always. In case some of the Caggys happen to forget your birthday we wish it for all of them now, I doubt if any of the Caggys will forget.

We just received a letter from Pop and he told us how happy he was this holiday because some of us called him on Christmas and on New Year's day, and how he received everyone's card and gifts. It was one of the nicest and happiest letters we have received and we were so glad to hear Pop so happy. He says how proud he felt and how wonderful all of his children are. We just want to tell Pop how proud we are of him and to thank him for all he did for us for the rest of our lives. SO A VERY HAPPY BIRTHDAY TO THE GREATEST FATHER IN ALL THE WORLD FROM ALL YOUR CHILDREN AND GRAND CHILDREN...

### JEAN GETTING READY FOR HER TRIP

Jean can write to tell us she had a nice holiday and she is getting her money ready for her annual trip to see Pop and we are just a bit jealous of her. We wish we all could make the trip. She visited The Joe Caggys and said that all the kids are getting cuter all the time. She wrote about a Chuck, we wonder is something cooking?????

So Jean if you have some news please let us so we will have a big scoop.....

HERE AND THERE WITH THE CAGGYS  
Parlin, N.J.

The holidays were just great for the E. Caggys and Santa Claus worked overtime at 15 Ash Terrace. Little Ed was a very happy guy Christmas morning, he got about every thing he wanted especially Big Job. I will tell one thing I think the batteries company make a deal with the toy outfits, every toy takes two to four batteries and they only last a bout a week. I have a little fun playing with him so I guess it is worth it. Claire is sort of glad it is all over to get the house back in shape again. We don't know how your neighborhood was like this holiday but here in Jersey the homes were all beautiful. It is a wonderful time of the year and it is regretful to see it end so soon. Today as I type this paper we are having a good size snow fall. I would say there is about 10 inches of snow on the ground already and little Ed had me out a couple of hours and it proves one thing. I think I am getting old, it seems awful tough to pull a sled through the snow without stopping to catch my breath, well we can't stay young all the time. The reason there is so much news about the E. Caggy's is with all the holidays we did not receive much news as we expected. We did want to remind you all about the birthday. So how about a lot of news for the next issue. I just noticed I made this issue February it should be January so forgive the error, maybe I want Spring to come sooner than it is supposed to. So please plan to write and send all the news let's hear from the nephews and nieces also and let us all know what is new.

FLASH\*\* The last news we hear John Caggy is feeling better and coming along o.k. Just take it easy John and take care

SALLY AND FAMILY all fine. We received a letter from Sally this week and she informs us all is well as can be expected.

She has decided to work a few hours everyday as an Avon representative and she says it will keep her busy and offer a good chance to meet new people. We wish her loads of luck and so many orders she can't fill them all!

Her neighbors continue to be wonderful and kind and she is invited out to Sunday dinners. Mrs. Bratton has spent a few weeks with her.

The boys from G E came over and finished the porch room Mike started last year. It is now a large room that Sally and the children can really use.

So you Caggy's, just keep your letters to Sally coming and she will be busy answering them.

HAPPY BIRTHDAY Dear Wife. I thought I would take this time and space to wish Claire a very Happy and Wonderful Birthday. May you birthday and all following days be full of happiness and joy. (Ed. Note - This also saves me a quarter for a card.)

Nothing new at Parlin, N. J. We spent the weekend in the Bronx. Two weeks will be Claire's Fathers 75th Birthday, and the family will have a get together for the happy occasion.

Little Ed is busy around the house playing and it is a toss up who is more stubborn; Little Ed or the puppy we now have. It keeps Claire busy all day.

## OPEN LETTER TO SAL AND CHILDREN

We know we can not say anymore than has been said already. The shock and loss will never be forgotten for a very long time to come. We will not dwell on things we all want to say as you already know how we all feel. We don't know how much the human heart can be broken but we Caggys are getting a test all to soon. Mike has left a fitting and wonderful monument in a good and devotedful and wonderful wife and two great and respectable children who we we know will carry on for him. Sal you will never hesitate at anytime to call on any of the Caggys when you want something for any purpose. Sally, Dennis and Lynn we are always with you although we are separated by miles only. we are always with you at all times

## CONGRATULATIONS TO ROSE AND GENO

On Feb. 22nd Rose and Geno will be celebrating their 24th anniversary and all us Caggys send you both our heartest and happiest best wishes. Boy time really flies by (I doubt if Geno may think so). May your anniversary bring you both the best of everything and loads of happiness for the years that will follow.

## CONGRATULATIONS FROM ALL THE CAGGYS

## FORMAL CALENDAR

I guess you all have heard the great news that our Rosemarie will be taking that big step comes APR. 25th. There do all the years go by. A few years ago a little girl and now ready to get married. The lucky guy as you all know is our boy Tom. We heard that Geno offered Tom a choice of his other car or marriage and we were told Tom took the car, it is hard to believe that he made this choice. We believe that Tom is getting a wonderful and great gal in our Rosemarie. (This was not a paid announcement). We just happen to like the girl. It seems some of the Caggy brains and looks wore of on her from her uncle ED.....

## HERE AND THERE WITH THE CAGGYS

Hudson-We hear and we saw all is well with the John Caggys. We want to take this time now to say for all the Caggys thanks a million to Mary for all her help and graciousness she to all the Caggys while we were in Hudson. I think we should adopt her as part of the family as she is always there to give a helping hand, thanks a million from all the Caggys.

John is waiting on word from I.B.M. for a position and we all wish and hope that John gets the job. Shelly wrote and gave me a few jokes but I can't find the letter, the jokes were cute and I know you all would want to read them. We hear Ted and Barb are all o.k. and grab a cup of coffee and cake from John and Peg every now and then.

Buddy also has taken his tests at I.B.M. and is now waiting word too. We hope he gets the job too. It this keeps up they will have to change the name to I.B.M. Caggy, I guess it takes brains to run a large corporation and that's why IBM wants the Caggys; yet how come G.E. is still around with Joe there. It was real nice seeing Ann again and we hope she enjoyed her honeymoon night alright.

I guess John spoke to all of you about the telephone setup.

George and Marie looked real well and it was good to see them again.

## MARSHALL BRATTON VISITS E CAGGYS

This week Sally's brother dropped in for a few moments. This week to say hello he was in the vicinity on business. It was very nice to have him say hello. By the way when you need good soil and plant goods buy Swiss Farms. he is their sales representative.

## GREETINGS AND SALUTATIONS TO POP

Just a line to Pop and Mary to say hello and to think we are

thinking of you all the time.

We hope you are both well and in good health and to tell you how much we missed you last month in our hour of grief and we all know how you must have felt at that time. So take good care of yourself at all times.

## E. CAGGYS PLAN TO MOVE IN JANUARY

The big news here is our plans to move to the Bronx in the middle of January. We plan to have a three room apartment in Claire's folks home. Our Jersey home was sold in a matter of three days. We enjoyed our home very much and we are a little sad to leave it to move back to the city again, but doctors orders are to be obeyed. Our new address will be: 1719 Fowler Ave., Bronx, N. Y.

Your editor will be able to go back to work about the middle of February, we hope. We want to thank all the Caggys who sent cards and for all those phone calls in the hospital and at home - Thanks Again!

Claire and little Eddie are fine. Eddie is making his Christmas list longer every day. He keeps me company every day.

CONGRATULATIONS AND BEST WISHES!!!!

To Rose and Geno may we wish you the very best and tell you how happy we all are on your forthcoming Anniversary. We may be a little premature in our well wishes, but we want to let you both know how we feel about you two. This will give the family time to think.

## BIG NEWS FROM LONG ISLAND

We guess many of you all know the news from the Tom Costellos these days. The news is out that Rosemarie and Tom are infant-isapating. We want to send them our best wishes and congratulations. We know how happy they must be these days. The only thought I can think of is how time is passing by and we must be getting old. It is a nice thought that a new generation is beginning. We want to say once again on behalf of all the Caggys, Congratulations and best Wishes.....

HUBSON: We have received letters from Shelly and Johnnie and we were very happy to hear from them. They really keep us informed on all the news and happenings. Everything is O.K. and everyone is fine. Shelly and John are doing real good in school. John sent us his Christmas list and it seems he didn't forget a thing. Shelly is now working at the hospital and we know she is doing a good job. I wish she was taking care of me when I was in the hospital. Keep up the good work and keep the letters coming.

ASHOKON: The big news from Teddy and Barb is they are now in their new home and are very busy getting things organized. We hear it is a real dream home and we are very happy for both of them. It is now open house, so plan to drop in to wish them good luck. Ted and Gino and Bud have been calling me from work a few times last week and it was real nice hearing from them.

RHINEBECK: Everything is now in color at the home of the Celellis these days. Geno has bought a color T.V. set for Rose to help her spend her long nights while Geno works. Also, the games look good in color.

We haven't heard too much from the rest of the family so we hope all is well. There will be no CAGGY NEWS for a few months as with holidays and our moving we won't have too much time. So keep writing and we want to wish one and to all HAPPY HOLIDAYS.

March 15 - Lou Ferri Sr. Birthday

## BON VOYAGE

We want to wish a happy trip and good vacation to Jean on her forthcoming Caribbean cruise February 26. Hope the weather and water conditions will be in your favor. E. Caggy may be able to see her off at the pier.

## HERE AND THERE

BRONX: E. Caggy's settle down in the Bronx. Everyone is A O.K. New address is 1719 Fowler Ave., Bronx 62, N. Y. Phone No. is a/c 212 824-9548. Ed is to have one more checkup in February then he is to report to RCA Doctor and if he gets the go ahead sign will be back with RCA around March 1. Little Ed likes it very much and has a great deal of fun playing with all his cousins.

RHINEBECK: Geno is opening a sporting goods store in Rhinebeck; the name of the store to be Sports Haven. We wish him all the success in the world. Rose plans to work in the store during the days. Geno is partners with F. Tanzillo of Hudson. Maybe all the Caggy's can send notes of success and best wishes to Geno and Rose.

UTICA: We hear all is well in Utica these days. Sally is very busy in the Real Estate business and she is doing quite well as we expected she would. Dennis is working in the Display Dept. of the largest store in Utica. Lynn is busy with all of her activities and is well.

HUDSON: Shelly is still marvelous sending her letters with all the news of Hudson. She informs us that all is well at 520 Prospect and they all had a great Christmas. John also has bought a new stereo set and new washing machine. It seems Peg really has a life of ease and luxury and that Santa was extra good to her this year.

Haven't heard from Joe Caggy's of Schenectady or from Mne and George or Buddy --- Hope all is well. Ted and Barb are fine and still busy around their new home. We also suspect they must be snowbound - Hope they dig out in time for Easter.

## CONDOLENCES

On behalf of all the Caggy's I wish to express our deepest and heartfelt sympathy to Tom on the Great loss of his father.

VERY HAPPY MOTHERS DAY. WE UNDERSTAND  
WHAT HARDSHIPS AND TROUBLES YOU FACE  
EACH DAY THROUGH OUT THE YEAR AND MAYBE  
WE HUSBANDS AND CHILDREN FORGET TO TELL  
YOU HOW MUCH IT IS APPRECIATED BUT WE  
WANT TO TELL YOU NOW THAT WE LOVE YOU  
VERY MUCH AND WE ARE SORRY THERE IS  
ONLY ONE DAY A YEAR WE CAN SHOW YOU HOW  
MUCH WE DO LOVE AND APPRECIATE YOU. SO  
ALL YOU MOTHERS HAVE A ENJOYABLE AND  
WONDERFUL DAY.

WE HAVEN'T ANY NEWS THAT THERE IS ANY

### JOE CAGGY RECEIVES AN AWARD

WE HAVE RECEIVED WORD THAT JOE CAGGY HAS  
AWARDED A HONOR AND YOU WILL FIND THE STORY  
ATTACHED. SO CONGRATULATIONS TO YOU JOE...

LAST ISSUE FOR THE SEASON  
THIS WILL BE THE LAST CAGGY NEWS UNTIL  
NEXT SEPTEMBER. WE FIND IT DIFFICULT TO  
WRITE A CAGGY NEWS DURING THE SUMMER  
MONTHS. WE WANT TO SAY WE ALSO DO NOT GET  
ENOUGH NEWS SOMETIME TO WRITE THIS PAPER  
AND MANY A TIME I HAVE TO BLUFF MY WAY  
TROUGH. WE WANT TO THANK SHELLY FOR NEWS  
EVERY MONTH SHE WAS THE MOST CONSTANT  
SOURCE AND ALSO TO TED AND BARB. THERE  
ARE SOME MEMBERS WE STILL HAVEN'T HEARD  
FROM AND WE DON'T WANT TO SLIGHT ANY OF  
THE CAGGYS IF WE CAN HELP IT. SO MAYBE  
COME SEPTEMBER EACH FAMILY WILL TRY TO  
SEND IN A SHORT NOTE GIVING US SOME NEWS  
WE CAN PASS ALONG. WE WOULD AND WE STRIVE  
TO KEEP THE FAMILY AS CLOSE TOGETHER AS  
WE POSSIBLY CAN. WE KNOW IT IS HARD TO SIT  
DOWN EVERY MONTH AND WRITE A LETTER, BUT  
THINK HOW NICE TO LET ALL THE CAGGYS  
KNOW WHAT IS GOING ON. MAYBE THE ADULTS  
WON'T HAVE TO WRITE IF ONE OF THE CHIL-  
REN WOULD WRITE. I DON'T LIKE TO GET ON  
A SOAP BOX AND TELL EVERYONE THIS, BUT I  
DON'T MIND WRITING THE PAPER ONCE A MONTH  
IF I HAVE ENOUGH NEWS.....

NO NATAL NEWS SO FAR  
WE HEARD FROM ROSEMARIE LAST WEEK AND  
EVERYTHING IS O.K. WITH HER, SHE FEELS  
GREAT AND IS ANXIOUSLY WAITING THE  
HAPPY TIME. SO WE WANT TO TAKE THIS TIME  
TO TELL ROSEMARIE AND TOM THAT THEY ARE  
IN OUR PRAYERS THESE DAYS, AND HOPE GOD  
WILL SEND THEM ALL HIS BLESSINGS.....

JOHN CAGGY ALMOST FINISHED WITH  
REMODELING JOB.

WE HEAR THAT JOHN CAGGY HAS DONE A  
FABULOUS JOB REMODELING HIS CELLAR  
AND IT REALLY LOOKS GREAT. SO ALL YOU  
CAGGY WILL HAVE A CHANCE TO CHRISTEN IT  
MAY 29<sup>th</sup>. WE HAVE REPORTS THAT HE WAS  
GETTING A LITTLE LARGE AROUND THE MIDDLE  
LAYING AROUND WATCHING HIS COLOR T.V.  
SET SO THIS PROJECT IS WHAT HE NEEDED.

SO LONG FOR AWHILE SEE YOU ALL  
I HOPE MAY 29<sup>th</sup> IN HUDSON.....

VOL 1 NO 1 JULY 1972 EDITOR: E. CAGGIANELLI JR. BRANK  
PAPER REORGANIZES

I am happy to say that the Caggy News has reorganized. Our last paper was over 6 years ago. I will try to follow in my fathers footsteps by making the Caggy family happy with a monthly newspaper. I want to congratulate everybody who came to our annual celebration. I hope most of us were happy. In our annual baseball game Capt. Bobby Ferried Joe Caggy Jr., Ted, Frank and myself to victory over Capt. D. Caggy, J. Caggy Jr., Geno, Little Lenny and J. Caggy by a 10-6 score. I will be sending this to the whole family so everyone may know what's happening. I would appreciate it very much if every family would send me their news so I may print it in the next paper. For the people that were not at our feast let us welcome Aunt Jean back from Mexico, and Aunt Rose and Aunt Claire from Florida. Hope you had a nice time! For our Sports fans in the family we hope you are happy with the return of Willie Mays. I know Uncle Geno would not really care about this but the Yankees are catching up. If I have enough room every month I will try to run a column on Sports. On our feast while we were playing the baseball game Judy's boyfriend Steve defeated John in a game of tennis 3 games to 2. Keep practicing John. For whoever did not know

Shelley bought a blue car. She calls it a blue bomb. The weekend of our feast, Saturday to be precise Shelley and I went to work to wash the blue bomb and I wound up all wet. Aunt Peggy and Uncle John also picked up a sideband blue car in addition to their green car. I hope all the parents are very happy with the schools closing. Well I know the children are. I will be going to the Yankee game on July 2 when they play the Indians. I will report on how it was in the next paper. I got my report card for the last time of the semester and probably for the first time in my life I got straight A's. Hope everybody did well.

VOL 1 NO 10 AUGUST

1973-EDITOR: E. CAGGIANELLI

1st Anniversary of Reorganization of

Caggy News

With this issue

It all started 1 year and 1 month ago. We did not have a July '73 issue so this is the anniversary paper. We did not receive any letters. But we saw some of the family at John's Graduation. I came back a couple of weeks ago. I went up to Aunt Ann & Uncle Joe's for a week. Called up Aunt Jean. She spent a week at Wildwood. I enjoyed it very much up there. There was plenty to do. And to my luck the Fabulous Caggianelli boys Joe Jr, Duke & Mike had games four days in a row. They are in the Sandy Kousser Baseball League.

Went to surprise my Aunt on my mother's side of the family who lives in Wolcott Conn. and she was not home. So we decided to drop in at the Ferris. We found "Little" Louie home.

Well football season is right around the corner.

Baseball season is nearing an end. I think the Yankees will go all the way. In football I think the Dolphins will do it again.

I found out about a couple of wrong dates. I am getting totally confused. The dates I print in the paper are the dates that I have. To settle it why doesn't each family send a list of all their dates of their family & their zip code.

## August Birthdays

Gregg - 2	By the time the first three
Theresa - 9	people receive the paper their
